that Participant's access data. In such case, Movida rent a car will inform the Participant, sending them, after the necessary identity checks, a new password, which must be changed by the Participant the next time they access their Programme account.

6.3.1 Those who meet the requirements to move to a different Category will be automatically reallocated and placed in the new Category.

6.3.2 Likewise, participants may be downgraded if they do not meet the requirements established in items 6.2 “a”, “b” and “c”.

6.4 Movida rent a car will assess category upgrades or downgrades every 12 (twelve) months, counted from the Participants’ registration date.

7. Criteria and Methods for Obtaining Transaction Points

7.1 Subject to Point-Earning Activities and situations in which Movida rent a car establishes a different scoring criterion, the award of Transaction Points for contracting Point-Earning Services will be determined by the transaction value of the Point-Earning Service contracted by the Participant and the Category in which the Participant is included in the Programme, subject to items 7.5 and 7.6.

7.2 When Movida rent a car does not stipulate a different scoring method, the general rule for awarding and accumulating Transaction Points based on the contracting of Point-Earning Services for each Category shall be as follows:

Daily Rentals (from 1 to 29 rental days)

Category	Transaction Points	Point Value	Scoring Example
Silver*	0 to 2,000	1 point per euro spent	Rental value: €150.00 / Accumulated points: 150

* See scoring conditions

Monthly Rentals (more than 29 rental days)

* See scoring conditions

7.3 As a general rule, Transaction Points belong exclusively to the main driver of the vehicle, including where a different person makes the payment. Under no circumstances may Transaction Points be used or transferred to third parties, even at the request of the Participant who received them.

7.4 The composition of eligible amounts spent for scoring includes the following amounts attributable to daily and monthly rentals, subject to the provisions of this Regulation: (i) Daily rental charges and extra hours; (ii) Pick-up and return fee; (iii) Protections; (iv) additional services contracted, including: egg/baby seat, Booster, baby seat, Carbon Free, Additional Driver, GPS, Young Driver Rental (all groups), Movida rent a car Pet, Connect, Express, Wifi, Full Tank (all vehicle groups), Dellivery and Collection.

7.5 Any Transaction Points arising from unpaid rental days shall be disregarded or blocked, at Movida rent a car's discretion.

7.6 The allocation of Transaction Points will be credited upon closing of the Contract.

7.7 The following amounts shall not be considered for the purposes of awarding and accumulating Transaction Points:

a. Traffic fines, damage or compensation of any kind;
b. Tolls;
c. Fuel or cleaning expenses;
d. Complimentary items;
e. Reservations made using points from this Programme;
f. Contracts that have contractual or financial pending matters
g. Contracts entered into as an exchange or courtesy;
h. The remaining and unused period if the Participant returns the vehicle before the end of the reservation. In such case, the scoring may change if there is a reduction in the amount paid by the Participant compared with the amount originally contracted;
i. Contracts in which the Participant performs acts that disregard the terms of the legislation in force and/or provisions of any contracts entered into with Movida rent a car; or
j. Contracts that expressly state that points do not apply.

7.8 Movida rent a car may refrain from crediting Transaction Points, or may reverse credited points, in the following cases:

a. It is found that the Transaction Points resulted from unlawful, irregular or fraudulent actions; and

b. Error in the calculation of credited Transaction Points.

8. Allocation of Transaction Points

8.1 The procedure for awarding and accumulating Transaction Points is based on identification of the Driving licence number linked to the Programme registration, so that if the contract is made using documentation different from that used for registration, the Points linked to that contract will not be awarded and will be disregarded for all purposes.

8.1.1 It is the Participant's sole responsibility to register and enter into contracts using the same document for the purpose of obtaining the corresponding Points, as well as to indicate themselves as the driver of the rented vehicle in order to receive Transaction Points.

8.2 Except in cases where the Regulation or Movida rent a car stipulates a different method, Transaction Points will be awarded as follows:

a. For Daily Rentals (from 1 to 29 rental days): Transaction Points will be credited within 5 (five) days after the regular closing of the contract, understood as the time when all internal procedures carried out after vehicle return and required for closing the contract have been completed, such as checking the condition of the vehicle and confirming the absence of contractual and/or financial pending matters.

b. For Monthly Rentals (equal to or greater than 30 rental days): Transaction Points will be credited within 5 (five) days after the end of each period, understood as the time when all internal procedures carried out have been completed.

8.3 The balance of Transaction Points accumulated in each contract will be credited to the Participant's statement. The Participant is responsible for monitoring the availability of such points in their account and

checking that the statement is correct, and must immediately notify Movida rent a car if any inconsistency is found.

8.3.1 The deadline for claiming Transaction Points that were not credited or were credited incorrectly shall be a maximum of 6 (six) months from the date of contracting the Point-Earning Services, in which case Movida rent a car will carry out the necessary analyses to investigate what occurred.

8.4 Except for the cases described in the sub-items below, once the contracting of Point-Earning Services is cancelled by either contracting party, the Transaction Points accumulated by the Participant up to that point shall remain stored and available for use for the period provided for in this Regulation.

8.4.1 Any contractual or legal breach committed by the Participant will result in the application of the appropriate contractual and legal penalties, as well as the immediate loss of Transaction Points in an amount equivalent to the damage caused to Movida rent a car and/or third parties, without prejudice to reimbursement of any losses and damages if these are not sufficient to repair the damage caused.

8.4.2 In the event of termination of the Contract resulting from a contractual or legal breach, fault or intent on the part of the Participant, in addition to the applicable contractual and legal penalties, the Participant will lose all Transaction Points accumulated in relation to the contract in question, as well as Transaction Points accumulated in their account in an amount equivalent to the damage caused to Movida rent a car and/or third parties, without prejudice to reimbursement of any losses and damages if these are not sufficient to repair the damage caused.

8.4.3 In both cases, once the provisions of the above sub-items have been applied, the Participant shall not be entitled to any type of refund and/or compensation from Movida rent a car.

9. Point Expiry Period

9.1 Transaction Points are valid for use and/or redemption and exchange for Benefits for a maximum period of 24 (twenty-four) months for Silver customers; 24 (twenty-four) months for Gold customers; and 24 (twenty-four) months for Diamond customers, counted from the date on which they are credited, and if not used, they will automatically expire.

9.2 Movida rent a car reserves the right to change the expiry period of Transaction Points at any time, with the new rule applying only to Points credited after the date of the change, unless the change is more beneficial to the Participant, in which case the change will apply to all Points, including Transaction Points already credited.

10. Use of Transaction Points and Redemption of Benefits

10.1 The Participant may redeem and exchange Transaction Points for Benefits within the limit of their balance, in accordance with the rules previously defined by Movida rent a car and/or Partners, which may be established in specific regulations that Participants must consult in advance.

10.2 For the redemption and exchange of Transaction Points, the Participant must, at the time of the request, have at least 2,000 (two thousand) Transaction Points.

10.3 Point and Benefit redemption may only be used for reservations made on the Movida rent a car Website.

10.4 The Participant is aware that Transaction Points may be exchanged for daily rentals or products indicated by Movida rent a car, and redemption will only be carried out at participating physical branches, subject to the identification procedure required by Movida rent a car.

10.5 The Participant may redeem the benefit of a free Additional Driver. This redemption will only apply to daily rentals, at the time the Contract is opened. If the rental is changed to monthly, the Participant will not be

entitled to the benefit and must bear the payment for the Additional Driver.

10.6 Redemption of this benefit (Additional Driver) may not be requested for contracts in progress.

10.7 The Participant may redeem the benefit of a category upgrade for the group reserved at the time the Contract is opened. This redemption will only apply to daily rentals of up to 7 (seven) rental days and will depend on vehicle availability at the branch. Once this period has been exceeded, the Participant must pay the difference between the reserved vehicle and the vehicle provided from the 8th rental day onwards.

10.8 Redemption of this benefit (Upgrade) may not be requested for contracts in progress.

10.9 The Participant declares that they are aware that redemption of discounts on daily rentals may only be made once per reservation/contract.

10.10 In the event of additional rental days or additional, extra or excess hours, the rate agreed at the beginning of the contract will be charged at the time for the additional amount, and the difference must be paid using one of the payment methods valid and accepted by Movida rent a car, as described on the website “www.movidarentacar.pt”.

10.11 The Participant may not combine, in a single contract, the use of Benefits with other advantages made available by Movida rent a car or Partners to the general public, such as promotions and/or special discounts, and must, on that occasion, choose between using the Benefit or the advantage made available to the general public.

10.12 The Participant declares that they are aware that Movida rent a car guarantees reservations by vehicle group and not by vehicle model.

10.13 Movida rent a car may, at any time, amend this Regulation by notifying Participants through the Programme Website or other appropriate means, under the following terms:

a) New points and new enrolments: changes relating to the rules for awarding, accumulating or using points may apply to points awarded and enrolments made after the respective change comes into force, without prejudice to the conditions applicable to points previously acquired and enrolments already made;

b) Future Benefits: Movida rent a car may change, replace or discontinue Benefits that have not yet been awarded or used by the Participant, provided that the change is notified in advance and does not adversely affect Benefits already awarded or for which the right of use has already arisen;

c) Points already acquired and vested rights: changes to the Programme may not adversely affect points already acquired or rights already vested in Participants, except where objectively justified by legal, regulatory, security, fraud-prevention or other legitimate and legally permissible reasons. In any case, Movida rent a car must act proportionately and, where appropriate, give prior notice of the change and establish a reasonable period for exercising the affected rights.

10.13.1. Changes to this Regulation shall take effect on the date indicated in the respective communication and may not be applied retroactively to the detriment of rights already vested in Participants, without prejudice to the provisions of paragraph c) of the preceding clause and mandatory legal provisions.

11. Penalties

11.1 If Movida rent a car finds that a Cancellation or No Show has occurred, a penalty equivalent to 100% of the Transaction Points used on the Point-Earning Services will be charged.

12. Permitted Uses

i. The right provided for in item 11.4. above may be exercised by Movida rent a car at any time and without prior notice, even if the Participant's registration has already been accepted, and without the Participant being entitled to any type of refund, reversal and/or compensation.
ii. In the event of the situations listed above, Movida rent a car may suspend the Participant for a specified period or, depending on the seriousness of the situation, at its sole discretion, permanently exclude them from the Programme.
